why do so many black men desire and covet the company of white women and why does this subject deeply touch so many people of both races is it a matter of love sex revenge power or politics all of the above asserts rajen persaud in this illuminating no holds barred book that will have readers laughing with recognition while fundamentally changing the way they see just about everything from sex and marriage to gender and race in all its foibles pretensions and ultimate possibilities

a compelling expose of the truth behind society s racial and sexual stereotypes of black men this book offers a wide historical perspective and insights into such recent racially charged events as the clarence thomas hearings the o j simpson trial and the million man march hutchinson brilliantly counters the image of black men as a population entrenched in crime drugs and violence

this groundbreaking book applies the concept of social determinants of health to the health of african american men while there have been significant efforts in recent years to eliminate health disparities serious disparities continue to exist especially with regard to african american men who continue to suffer disproportionately from poor health when compared to other racial ethnic and gender groups in the united states this book covers the most important issues relating to social determinants of health and also offers viable strategies for reducing

health disparities

white men can t hump is a book of hope the hope is that one day black men in america will no longer be viewed as unintelligent unattractive undesirable uncivilized and just plain old worthless white men can t hump will address why black men in america are perceived in such a negative way and will also explore the origins of this negativity white men can t hump will also explore how this negativity has been spread for the last four centuries a la stereotypes and why this negativity has been spread a la fear of the black penis several of these so called negative stereotypes will be closely examined and shown in a new light white men can t hump will ask why two well known stereotypes that have been historically assigned to black men are only considered negative when applied to black men most men desire a large penis and an elevated sexual prowess but all across america in offices bars and locker rooms the black penis and black prowess are routinely the punch line to jokes white men can t hump will ask why and will also ask a question that will create a debate for the ages who s better in bed black men or white men white men can t hump will take you the reader on an educational and enlightening journey through america s past and present with the hope of changing america s future so sit back and enjoy or cuss agree or disagree and most importantly think with an open mind because whether you like it or not white men can t hump tells the story of who all of us are where we ve come from and where we re going white men can t hump is divided into two volumes volume i focuses on how sex has historically affected race relations in america and volume ii focuses on how race has affected sex relations in america don t be confused by the similar titles because both volumes pack a different sexual racial political and social punch for more information feel free to visit whitemencanthump.com enjoy the ride my friend

solutions to a complex problem this book gives us greater insight into the problems that face young black men in america since violence is epidemic among young black males this book is must reading for anyone seeking solutions to this crisis alvin f poussaint clinical professor of psychiatry harvard medical school this powerful book discusses the causes and effects of the high rates of black on black violence and examines circumstances that lead to arguments and violent confrontations
