an outstanding exposition that contrasts scriptural principles with charismatic practices based on the

experience of the church at corinth also available in spanish

in most areas of this epistle b ward powers has come to share the interpretation of paul s meaning held by the early church fathers although he explains and expounds those views this is particularly the case in relation to chapters 12 through 14 where in keeping with the early church fathers the reformers most scripture expositors until recent times and many present day exegetes powers expounds the interpretation that tongues refers to human languages spoken on earth the one major area where powers parts company with the fathers of the first christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally here powers explains that paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be we need at times to take considerable care he writes to understand the meaning of what paul says to the corinthians and in coming to terms with how this teaching is to apply to us in today s world but when we have arrived at our understanding of these things then there is no question this is the word of god to us and we must take it very seriously indeed we cannot just dismiss it offhandedly and simply say well that is just paul s opinion and we can take it or leave it not at all paul has explained clearly that what he writes comes with the inspiration and authority of the holy spirit of god

in 1906 a new religious phenomenon emerged from california then just over sixty years later a million fold expansion occurred what was the catalyst for this explosion of growth the pentecostal paradox explores the history and rise of a new religious movement called the pentecostals drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author g j hocking weaves together an accurate history of the movement to the present day filled with fascinating stories the mailing lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air the pentecostal paradox asks were these events fact fiction or real phenomena in this timely work california the charismatic cradle features prominently as the author juxtaposes the rise of pentecostalism with both the california gold rush and the san francisco earthquake eventually a god rush occurred in 1906 as many rushed to azusa street los angeles how will this book shed light on this vast group what next for pentecostalism these questions are answered in a candid and yet concise way in this much needed analysis of the pentecostal movement

corinth a diverse cosmopolitan city sitting at a strategic center of commerce for both greece and the

wider roman empire was known for its decadence and wealth in his commentary on 1 and 2 corinthians chuck swindoll explores how paul took the corinthian church to task for taking on the character of the city instead of the character of christ as chuck shows the message of paul to the corinthians is greatly needed by the church today the 15 volume swindoll s living insights new testament commentary series draws on gold medallion award winner chuck swindoll s 50 years of experience studying and preaching god s word his deep insight signature easygoing style and humor bring a warmth and practical accessibility not often found in commentaries each volume combines verse by verse commentary charts maps photos key terms and background articles with practical application the newly updated volumes now include parallel presentations of the nlt and nasb before each section this series is a must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring god s word

presently there is a growing fascination with angels they have captured the attention of people and raised their curiosity many people disbelieve in the reality of angels however angels are real they are not just imaginary figures as confirmed by the bible america has been inundated with a fascination for angels every year there are conferences seminars and college courses on angels angels have become so popular that the networks are making movies about them for example ghost touched by an angel just to name a few today satan is working through his unholy angels to destroy the child of god and to thwart the plan of god however through christ s death on the cross satan and his demons are defeated and are waiting for their final judgment yet in the meantime they are doing all they can to destroy as many as possible

is god to blame for natural disasters does he cause volcanic action flooding earthquakes plague and genetic disease can he prevent them why doesn t he geoffrey e l bennett uncovers deep biblical insights linking them to twenty first century cultural and scientific answers is god cruel or callous is he impotent or incompetent how can i know if god even exists part one explores pain and shows how different cultural groups understand god to be vindictive and cruel or else limited in power or believe that suffering does not really exist part two examines old testament teaching on suffering challenging the idea of ancient wisdom profound teaching is dissected from the minor and major prophets as well as the story of job then the new testament fulfillment of prophecy is examined challenging perceived ideas and finishes with an interpretation of the apocalypse the concluding solution to pain and suffering of god part three deals with scientific theories and twenty first century concepts of the universe and the physical world together with raw nature and biogenetic problems what place does god have in our modern world

do natural disasters acts of god show a limited or incompetent deity
